2.	Aurangabad, Osmanabad, Beed, and Jalna	Dr. Babasaheb Ambedkar Marathwada University
3	Mumbai, Mumbai Suburban, Raigad, Ratnagiri, Sindhudurg and Thane	Mumbai University
4	Ahmednagar, Nashik and Pune	Pune University
5	Dhule, Jalgaon and Nandurbar	North Maharashtra University
6	Kolhapur, Sangli and Satara	Shivaji University
7	Solapur	Solapur University
8	Akola, Amravati, Buldana , Washim and Yavatmal	Sant Gadge Baba Amravati University
9	Bhandara, Gondia, Nagpur and Wardha	Rashtrasant Tukadoji Maharaj Nagpur University
10	Chandrapur, Gadchiroli	Gondwana University

1.6 Allocation of Seats

1.6.1 Types of Seats under CAP:-

I)   Maharashtra State Seats (MHT-CET-2012):

- **State Level Seats (SL Seats)**
  These seats shall be available for allotment to all Maharashtra State candidates irrespective of candidate's Home University Area.

- **Home University Seats (HU Seats):**
  Certain percentage of seats is reserved for Home University i.e. for the University under the jurisdiction of which that institute is situated. Home University seats are available for allotment through CAP for the Maharashtra candidates having their Home University status as that University. For example, candidates having their home university as Mumbai University will be eligible for admission to the Home University seats of those institutes which are located in the jurisdiction of Mumbai University.

- **Seats for candidates belonging to Universities other than Home University (OHU seats)**:

  Certain percentage of seats is reserved for Other Universities i.e. for the Universities other than the Home University under the jurisdiction of which that institute is located. Such seats are called as OHU seats. Candidates can opt for seats of any other University (excluding his/her home university) under this provision of OHU seats. For example, candidates having their home university as SGB Amaravati University will not be eligible for the OHU seats of those institutes which are located in SGB Amaravati University. Candidates having their home University other than SGB Amaravati University are eligible for these OHU seats of the SGB Amaravati University.

II)   All India Seats:

These seats are available for allotment through CAP for AIEEE 2012 (Paper-1) qualified eligible candidates. No reservation for candidates of backward class categories, Ladies, PH, Defense etc. is provided in these seats i.e. all these seats are treated as "General Category" seats.

1.6.2 Allocation and Reservation of seats:

All seats of the following autonomous institutes as mentioned at Rule No. 1.6.2 shall be filled as **State Level Seats** through CAP.

- **Govt. Autonomous Instites**

  1. Government College of Engineering, Amravati
  2. Government College of Engineering, Aurangabad
  3. College of Engineering, Pune.

- **Govt. Aided Autonmous Instiutes**

  1. Shri Guru Gobind Singhji Institute of Engineering and Technology, Nanded
  2. Veermata Jijabai Technological Institute(VJTI), Mumbai
  3. Sardar Patel College of Engineering, Mumbai
  4. Walchand College of Engineering, Sangli

- **Unaided Autonmous Instiutes**

  1. Shri Ramdeobaba College of Engineering and Management, Nagpur (Linguistic Minority - Hindi)
  2. G. H. Raisoni College of Engineering, Nagpur (Linguistic Minority - Hindi)
  3. Yeshwantrao Chavan College of Engineering, Nagpur
  4. Rajarambapu Institute of Technology, Sakharale
  5. Vishwakarma Institute of Technology, Pune

  The details of these institutes are given in Annexure V

1.8 Sanctioned intake for various Courses in various Institutes for year 2012-13:

- Sanctioned intake for various Courses in various Institutes for the year 2011-2012 is mentioned in the Institute information part of the brochure.

- Candidate is a son/daughter of active service personnel (Def -3)
  - ➢ Who is transferred to Maharashtra State but is not domiciled in Maharashtra State
  - ➢ Who is not domiciled in Maharashtra State but his/her family is stationed in Maharashtra State under the provision of retention of family accommodation at the last duty station on the grounds of childrens' education, provided further that, such candidate should have appeared and passed the HSC (Std.XII) examination of Maharashtra State Board of Secondary and Higher Secondary Education or its equivalent examination from a school/college situated in the State of Maharashtra.

Note:
This provision is NOT available to the children of CIVILIAN STAFF who is working/ who has worked with the Indian Defence Services.

2.8 Eligibility criteria for Candidates who are Physically Handicapped:

In addition to the basic qualification mentioned in rule no. 2.1, candidate who has appeared & obtained a non zero score in the MHT-CET 2012 and suffering from any one of the following permanent disability is eligible to seek admission against seats for Physically Handicapped candidates

- Candidate who is visually impaired (blind) candidate (type P1)
- Candidate who is speech & hearing impaired (deaf & dumb) candidate (type P2)
- Candidate who is with orthopedic disorders, learning disabilities, Dyslexia, Dyscalculia, Dysgraphica, Spastic (type P3)

Note:
The certificate (Proforma F/F-1) should clearly state that the extent of disability is more than 40% and the disability is permanent in nature.

2.9 Other eligibility criteria for specialized branches of Engineering/ Technology:

Candidates seeking admission to some special courses or under some special provisions have to fulfill the following additional eligibility criteria.

- **Admission to Bio- Medical/Bio-Tech Engineering course :**

Candidates seeking admission to Biomedical/Bio-Tech Engineering course should have passed in the subject of Biology in the qualifying examination in addition to fulfilling the Eligibility criteria as mentioned in rule no. 2.1.

- **Admission to Mining Engineering course:**

Female candidates are **not eligible** for admission to Mining Engineering course.

2.10 Eligibility criteria of Candidates who have passed Diploma in Engineering/Technology and seeking admission to First Year of Engineering/Technology in Unaided Institutes:

Diploma holders should have passed the Diploma course in Engineering/Technology with minimum of 45% marks (40% marks in case of candidates of Backward class categories and Physically Handicapped belonging only to Maharashtra State) and medium of instruction as English from the AICTE approved Diploma Institutes affiliated to State Boards of technical Education.

Note:

1. To resolve a tie i.e. more than one candidate securing equal aggregate marks in Final year of the Diploma exam, following order of preference shall be adopted: marks in Maths at SSC, Grand Total at SSC.

2. Eligible Diploma candidates (rule 2.10) shall be considered for Admission against the Institute level seats in **Unaided Private Institutes only**. The details of the admission process for filling seats is specified in Annexure-II.

3. Such Diploma candidates (rule 2.10) are not eligible to appear for the MHT-CET 2012.

2.11 Rounding off of percentage of marks for deciding eligibility for admission.

In case percentage, marks (converted out of 100) in the subjects **Physics, Chemistry and Mathematics** added together at HSC (std.XII), comes in fraction then percentage of marks shall be rounded off as explained in the example for the purpose of deciding the eligibility of the candidate.

Example: - If the percentage of marks comes out to be 39.50% to 39.99% then it shall be rounded to 40% and if the percentage of marks comes out to be 39.01% to 39.49% then it shall be rounded to 39%.

General Notes:

1. In case the maximum marks in individual subject is other than 100, convert the marks out of 100 for individual subject but do not *round off* these marks. If the sum of the converted marks of three individual subjects without rounding off works out to be a figure with fraction then fraction up to two decimal places shall only be considered and the percentage of marks shall be calculated considering maximum marks as 300 and, If the percentage comes in fraction, rounding off shall be done as given in rule No. 2.11 to decide the eligibility.

Example: If a candidate obtains 85 marks out of 200 in Physics, 76 marks out of 150 in Chemistry and 40 Marks out of 100 in Mathematics, then the sum of marks obtained works out

to be 201 out of 450 marks. If it is converted out of 300, it works out to be 134.The % of marks comes out 44.6666 %.

However if the marks in individual subjects are converted out of 100, then the marks are as 42.5 in Physics, 50.6666 in Chemistry and 40 in Mathematics. It means the sum of converted marks of individual subject is 133.1666, which is 133.16 up to two fractions. The % of marks comes out 44.38 % after rounding off it is 44%. Hence the candidate is not eligible for admission under OPEN Category

2. If **letter grades** are assigned instead of marks at SSC, HSC or its equivalent examination the candidate must obtain the certificate of conversion of letter of grades into marks from the competent authority where from the candidate has passed the examination. The candidate should produce such certificate at the time of submission of application form. The Eligibility shall be decided based on the equivalent marks submitted by such candidates.

3. If the candidate reappears for the qualifying examination (Std. XII or its equivalent) **with all subjects** then the marks obtained in the latest examination will only be considered for determining the eligibility criterion.

3 Type of Candidature:

3.1 Types of Maharashtra State Candidates and Home Universities:

A candidate is considered eligible for admission to the seats of Maharashtra State coming under the purview of competent authority subject to fulfillment of any one of the eligibility requirements as listed in the following table.

Sr. No.	Type of candidature for Maharashtra State candidates	Eligibility requirement	Home University
1.	Type – A (Maharashtra State candidate)	Candidate Passing SSC (Std. X) And HSC (Std. XII) examination from a recognized institution in Maharashtra State. **and** Candidate is Domiciled or Born in the State of Maharashtra.	Candidate's Home University is the University area under the jurisdiction of which the place of passing the H.S.C. examination falls in the State of Maharashtra.
	Note: Type-A candidates should produce the Leaving or Bonafide Certificate issued by the Institute from where the candidate passed/appeared the HSC (Std. XII). **These candidates should also produce Domicile Certificate of Candidate. If domicile certificate is not available, they should produce Birth / Leaving Certificate of the candidate clearly indicating the place of birth is in Maharashtra state**		
2.	Type-B (Maharashtra Domiciled candidates)	**Does not satisfy as Type - A Candidate and** Candidate/ Father or Mother of the candidate is Domiciled in the State of Maharashtra	Candidate's Home University is the University area under the jurisdiction of which the place of the authority issuing Domicile Certificate falls in the State of Maharashtra
	Note: Type-B candidates should produce the Domicile Certificate of Candidate/Father or Mother of the candidate		

3	Type – C (Sons and daughters of central Govt. / Govt. of India Undertaking employee)	**Does not satisfy as Type -A and Type-B Candidate** **but** Father/Mother of the candidate is an employee of the Government of India or Government of India Undertaking who is posted and reported to duty in Maharashtra State before the last date for submitting the **Application Form for Centralized Admission.**	Candidate's Home University is the University area under the jurisdiction of which the place of posting of the father / mother of the candidate who is a central Government / Government of India Undertaking employee falls in the State of Maharashtra.
	**Note: Type-C Candidates should produce Certificate in the Proforma "A" , as given in MHT-CET 2012 Information Brochure, regarding the employment status of Father/ Mother**		
4	Type – D (Sons and daughters of Maharashtra State Govt. / Maharashtra State Govt undertaking employee)	**Does not satisfy as Type –A, Type-B and Type-C Candidate** **but** Father / Mother of the candidate is an employee of the Government of Maharashtra / Government of Maharashtra Undertaking.	Candidate's Home University is the University area under the jurisdiction of which the place of posting of the father/ mother of the candidate who is a Maharashtra State Government/ Maharashtra State Govt. undertaking employee falls in the State of Maharashtra.
	**Note: Type-D Candidates should produce Certificate in the Proforma "B" , as given in MHT-CET 2012 Information Brochure, regarding the employment status of Father/ Mother**		
5	Type-E (Maharashtra Karnataka disputed Border Area Candidates)	**Refer Rules 2.1 and 2.6 for eligibility criteria**	Candidates will only be considered for SL / OHU seats of Maharashtra State of CAP. These candiadates will also be eligible for the seats remaining vacant in Un-aided Institutes after the CAP round and for additional round of Government, Government Aided, University departments and University managed Institutes.

3.2   Outside Maharashtra State Candidate:

Type of candidature: Outside Maharashtra State candidate (OMS)	OMS candidate should be an Indian National, who is not satisfying any of the conditions Stated in Sr. No. 1, 2, 3, 4, 5 (i.e. Type A,B,C,D,E) of rule 3.1.

Note:

- To substantiate the claim for the Type of candidature as A, B, C, D & E the candidate should produce the documentary proof(s) at the time of submission of "Application form for Admission through CAP".

- Candidate can claim **only one type of candidature** while submitting the application form.

  e.g. Candidates who are eligible to apply against the provision of Jammu & Kashmir Migrant Candidate seats as well as against the Maharashtra State seats are only entitled to claim for one of these seats.

- The candidate should submit the applicable certificate in the necessary Proforma at the time of filling up of Application Form for CAP.

- Eligible OMS candidates shall be considered on the basis of score of MHT-CET 2012, for Admission **to institute level seats** in **Unaided Private Institutes**. The details of the admission process for filling up seats at the institute level is given in **Annexure-II**.

4   Reservations:

All the reservations given below shall be applicable to candidates belonging to Maharashtra State only subject to the fulfillment of the eligibility criteria specified by respective authorities from time to time.

4.1   Reservation for Backward Class category Candidates:

The percentage of seats reserved for candidates of backward class categories belonging to Maharashtra State is as per the details in table given below. The percentages of reservation are the percentages of the seats available for Maharashtra candidates, which are coming under the purview of the Competent Authority (Refer notes 1-5 given below for details). These are the minimum percentages of reservation exclusive of the backward class candidates securing allotment through General Merit by virtue of merit. Backward class candidates shall claim the category to which they belong to at the time of submission of application form for Centralized Admission.

Sr. No.	Category of Reservation	Percentage of Reservation
1.	Scheduled Castes and Schedule caste converts to Buddhism (SC)	13.0 %
2.	Schedule Tribes (ST)	7.0 %
3.	Vimukta Jati (VJ)/De notified Tribes(DT) (**NT-A**)	3.0 %
4.	Nomadic Tribes 1 (**NT-B**)	2.5 %
5.	Nomadic Tribes 2 (**NT-C**)	3.5 %
6.	Nomadic Tribes 3 (**NT-D**)	2.0 %
7	Other Backward Classes (OBC)	19.0 %
	Total	**50 %**

Note:

1. The reservation for backward class candidates shall be available in Government, Government Aided, Autonomous Institutes, University Dept. and University Managed Institutes and Unaided Non-Minority colleges and it will be 50% of Maharashtra State CAP seats. The provision of this reservation is <u>not available</u> in Unaided Minority Institutes

2. Candidates belonging to **Special Backward Class (SBC)** will be offered reservation up to 2% seats of the seats available for Maharashtra candidates which are coming under the purview of the Competent Authority subject to condition that any seats remain vacant in the reserved category at the end of stage–II of allotment. These seats are carved out during the allotment stage-II and no separate seats are earmarked before the start of the allotment process. SBC Candidates having original category OBC will be considered at par with OBC Candidates.

3. The candidates belonging to *SC, ST, VJ/DT (NT(A)), NT(B), NT(C), NT(D), OBC and SBC* categories should produce **"Caste/Tribe Validity Certificate"** issued by Scrutiny Committee of Social Welfare Department/Tribal Department at ***the time of submission*** of CAP application form for the Admission. The policy of Scoial Justice & Welfare and Tribal Development Department shall be implemented in this regards.

4. Even if the candidate belonging to Backward Class Category secures admission against a seat belonging to the General category by virtue of merit, such candidate has to produce all the necessary documents in support of the category claimed both at the time of admission and while filling up of the CAP admission form.

5. All OMS candidates are treated as GENERAL/OPEN candidates and are not eligible to claim reservation for Backward Class category candidate.

4.2 Reservation for sons/daughters of Defence service personnel:

Five (5) % seats of the total sanctioned intake for an institute, subject to a maximum of five (5) seats in each institute coming under CAP shall be reserved for

- Children of ex- service personnel who are domiciled in Maharashtra State (DEF-1).
- Children of active service personnel who are domiciled in Maharashtra State (DEF-2).
- Children of active service personnel (DEF-3) –
  - ➢ Who are transferred to Maharashtra State but are not domiciled in Maharashtra State,
  - ➢ Who are not domiciled in Maharashtra State but their families are stationed in Maharashtra State under the provision of retention of family accommodation at the last duty station on grounds of children's education provided further that, such candidate should have appeared and passed the HSC (Std.XII) examination of Maharashtra State Board of Secondary and Higher Secondary Education or its equivalent examination from a school/college situate in the State of Maharashtra.

These seats are within the sanctioned intake capacity and are available as **State Level seats**. A combined single merit list of all eligible DEF1, DEF2 & DEF3 candidates shall be prepared. Admission against the Defence category seats will be made strictly on the basis of inter-se-merit combined single merit list of all eligible DEF1, DEF2 & DEF3 candidates.
Refer Pro forma C, D and E for claiming this provision.
Note:-
This provision is NOT available to the children of **CIVILIAN STAFF** who is working / who has worked in the Indian Defence Service.

4.3 Reservation for Physically Handicapped Candidates:

As per the provisions in Clause 39 of Equal Opportunities, Protection of Rights and Full Participation Act 1995, three percent (3%) seats of total sanctioned intake capacity of all the institutions coming under CAP shall be reserved for physically handicapped candidates.

- 1% seats for Visually impaired (blind) candidates (P1)
- 1% seats for Speech & hearing impaired (deaf & dumb) candidates, (P2)
- 1% seats for Orthopedic disorders, learning disabilities, Dyslexia, Dyscalculia, Dysgraphica, Spastic (P3)

Allotment of the seats reserved for the Physically Handicapped candidates shall be done on the basis of an inter-se merit of respective type of handicap of such candidates. **These seats are available in HU / SL seats for Maharashtra Type - A, B and D only**

Note:-

It should be noted that the physically handicapped candidates on admission to Engineering / Technology degree course will not be given any exemptions or additional facilities in the academic activities other than those which may be provided by the respective Universities. Further it is specifically brought to the notice of Physically Handicapped candidates that, they should submit the certificates strictly as per the Proforma– F/F-1.

4.4 Reservation for Female candidates:

As per the provisions in Govt. Resolution No. GEC-1000/ (123/2000)/ Tech. Edu.-1, dated 17th April, 2000, 30% seats available for Maharashtra State CAP shall be reserved for female candidates in all the courses of the institutions coming under CAP. This reservation shall be applicable for General, SC, ST, DT/VJ (NT-A), NT-B, NT-C, NT-D and OBC categories. Seats reserved for Female candidates are available under 70% Home University seats ,30% Other than Home University seats and State Level seats coming under the CAP. There shall be no reservation for Female candidates under Defence, Physically Handicapped and SBC categories.

IMPORTANT: All such candidates who fail to substantiate claims made (such as reservation category, PH, Defence etc.) with necessary supporting documents shall be converted to GENERAL category and/or such applications will be rejected as the case may be. Once such candidates are converted to GENERAL category and they will have to fulfill the minimum eligibility criteria as set out for a GENERAL category candidate.

4.5 Reservation of seats for the candidates belonging to the Maharashtra-Karnataka Border (disputed area) MS Type-E candidates:

These candidates will only be eligible for OHU/SL seats of Maharashtra State of CAP.These candidates will also be eligible for the seats remaining vacant in Un-aided Institutes after the CAP round and for additional round of Government, Government Aided, Autonomous Institutes, University Departments and University Managed Institutes.

5 Assignment of Merit Number:

5.1 Merit Number for Maharashtra Candidates:

- Each eligible Maharashtra State Candidate (Rule 2.1) who has appeared for MHT-CET 2012 and obtained a non zero score in MHT-CET 2012 and submitted application form on or before the last date prescribed for the submission of Application Form for Admission to Engineering through CAP will be assigned a provisional merit number.

- Merit of all eligible Maharashtra State candidates will be based on the MHT-CET 2012 score (out of 200 marks) only; relative merit in case of a tie (i.e. equal marks in MHT-CET 2012) shall be resolved as per rule no. 5.1.1.

  Note:

  1. **Merit list of Maharashtra State Candidates so prepared shall indicate a State level General Merit No., State level Category Merit no. (as applicable), Home University General Merit No., Home University Category Merit no. (as applicable) etc.**
  2. **Assignment of a Merit number does not indicate or ensure admission to any seat.**

5.1.1 Relative Merit in Case of a Tie:

In the case of candidates securing equal number of marks in MHT-CET-2012, their relative merit will be fixed on the basis of the following order of preference:

(a) A candidate securing higher marks out of 100 in the subject of Mathematics in MHT-CET-2012.
(b) A candidate securing higher marks out of 50 in the subject of Physics in MHT-CET-2012.
(c) A candidate securing higher Percentage of marks in the subject Mathematics at HSC (Std. XII).
(d) A candidate securing higher Percentage of marks in the subjects Physics at HSC (Std. XII).
(e) A candidate securing higher Percentage of marks in Aggregate at HSC (Std. XII) Examination.
(f) Birth Date of the candidate. (Elder Candidate will be given preference)

Note: While converting the marks, if the converted marks work out to be a figure with fraction, fraction up to two decimal places will only be considered.

5.2 Merit Number for AIEEE (Paper-I) Candidates:

- Each eligible Candidate (Rule 2.2) who has appeared for AIEEE- 2012 and obtained a valid score in AIEEE-2012 and submitted application form on or before the last date for the submission of Application Form for Admission to Engineering through CAP will be assigned a provisional merit number.
- Merit of all eligible candidates will be based on the inter-se of AIEEE- 2012 (Paper-I) **All India Rank only.**
- Merit list of Eligible Candidates so prepared shall indicate a State level General Merit No.
- Assignment of a Merit number does not indicate or ensure admission to any seat.

5.3 Merit Number for J&K Migrant Candidates:

Assignment of merit number:

Each eligible J&K Migrant Candidate who has filled and confirmed the online application form for Centralized Admission on or before the last date will be assigned a provisional merit number. Merit of all eligible J&K Migrant candidates will be based on the total marks obtained in Physics, Chemistry and Mathematics in HSC (Std. XII) only; relative merit in case of a tie (i.e. equal marks in Physics, Chemistry and Mathematics taken together out of 300) shall be resolved in the order of preference as given below:

(a) A candidate securing higher % marks in Mathematics of HSC (Std. XII) Examination.
(b) A candidate securing higher % marks in Physics of HSC (Std. XII) Examination.

(c) A candidate securing higher Percentage of marks in Aggregate at HSC (Std. XII) Examination.

(d) Birth Date of the candidate. (Elder Candidate will be given preference)

Note: While converting the marks, if the converted marks work out to be a figure with fraction, fraction up to two decimal places will only be considered.

- Assignment of a Merit number does not indicate or ensure admission to any seat.

5.4 Change of Marks due to verification:

If the marks in the qualifying examination are modified due to verification and the same is duly certified by the Maharashtra State Board of Secondary and Higher Secondary Education or its equivalent, the same shall be reported to the ARC incharge immediately.

However the effect of the change will be taken into consideration only for the subsequent round (s) of admission.

6 Admissions of Foreign Nationals / Foreign Students / Persons of Indian Origin /Children of Indian workers in the Gulf countries / Ward of NRI

6.1 Admissions of Foreign Nationals / Foreign Students / Persons of Indian Origin /Children of Indian workers in the Gulf countries/ Ward of NRI in Government /Government – Aided including Autonomous Institutes:

Aspiring candidates fulfilling the eligibility criteria for Foreign Nationals/Foreign students /PIOs/Children of Indian workers in the Gulf countries/ **Ward of NRI** shall submit their applications to **The Director, College of Engineering, Pune-411005**, for admissions to Govt./Govt aided Institutes, Govt. Autonomous Institutes, University Managed Institutes and Departments.

Each eligible Candidate who has filled application form for Admission on or before the last date will be assigned a provisional merit number. Merit of all eligible candidates will be based on the total marks obtained in Physics, Chemistry and Mathematics in HSC (Std. XII) only; relative merit in case of a tie (i.e. equal marks in Physics, Chemistry and Mathematics taken together out of 300) shall be resolved in the order of preference as given below:

a. A candidate securing higher % marks in Mathematics of HSC.
b. A candidate securing higher % marks in Physics of HSC.
c. A candidate securing higher % marks in SSC (Std. X) examination
d. A candidate securing higher % marks in Mathematics at SSC (Std. X) Examination.
e. Birth Date of the candidate (Elder Candidate will be given preference)

Details of admission process are available on the websites: **www.dte.org.in and www.coep.org.in.**

6.2 Admissions of Foreign Nationals/Foreign Students/Persons of Indian Origin /Children of Indian workers in the Gulf countries in Unaided Institutes including Autonomous Institutes:

For admissions to **Unaided Institutes** which are permitted to fill seats against Foreign Nationals / Foreign Students / Persons of Indian Origin /Children of Indian workers in the Gulf countries, candidates are required to contact to the Principals / Directors of the

respective Institutes (for list of such institutes, fees, documents required etc. refer www.dte.org.in).

Note:

- These admissions will be made strictly as per merit, as mentioned in Rule No. 6.1, on or before the commencement of academic session for the first semester/year for the current academic year.
- The admission against these supernumerary seats is permitted to the institutes only after the institute gets an approval from AICTE.
- If any seats available for Foreign Nationals / Foreign Students / Persons of Indian Origin / Children of Indian workers in the Gulf countries remain vacant due to non-availability of eligible candidates for these seats, such vacant seats shall be kept vacant. **Under any condition these seats shall not be offered to any other candidates.**
- 1/3rd of the 15 % seats shall be reserved for children of Indian workers in the Gulf countries and 2/3rd of the 15 % seats shall be reserved for the PIO/Foreign Nationals etc. However any vacant seats out of 1/3 category shall be reverted to the quota of 2/3 meant for PIO/FN.

6.3 Admissions of Children/Ward of NRI Candidates in Unaided Private Institutes:

- The eligible NRI candidates are eligible to apply for admission against the **Institute level seats**, only in Unaided Private Engineering Colleges/Institutes who have got an approval from AICTE to admit NRI candidates within the sanctioned intake.
- For admissions to **Unaided Private Institutes**, candidates are required to contact the Principals / Directors of the respective Institutes.
- The extent to which such NRI candidates shall be admitted is limited to **5%** of the sanctioned intake.
- NRI candidates will be required to pay fees as decided by the Shikshan Shulka Samiti, (M.S.) Mumbai.
- These admissions will be made strictly as per merit on or before the commencement of academic session for the first semester/year for the current academic year.

7 Rules of Admission through Centralized Admission Process (CAP)-

This section briefly explains the various stages and procedure adopted for the CAP.

Candidates seeking admission to Engineering/Technology courses are required to appear for MHT-CET 2012/AIEEE-2012 conducted by the respective Competent Authority.

For the academic year 2012-2013, the Competent Authority shall conduct total Three (3) rounds of Centralized Admission. The CAP shall consist of first two (2) rounds of Centralized Allotment wherein eligible candidates of respective rounds (both Maharashtra and AIEEE) will fill & confirm fresh Online Option forms for respective rounds. The Maharashtra Candidate eligible for All India Seats (AIEEE) is required to submit only single option form for both Maharashtra and All India Seats. Third round of CAP shall be conducted by way of counseling, only for the eligible Maharashtra State candidates.

Major Steps in the Admission through CAP after declaration of MHT-CET 2012 Result are summarized below:

1. Filling of Online **Application Form for Centralized Admission to Engineering/Technology** by eligible MHT-CET 2012 and AIEEE-2012 (Paper-I) qualified candidates

2. Document Verification & **Confirmation of Online** Application form at Application Form Receipt Centers(ARCs)

3. Display of Provisional Merit List of candidates who have confirmed the online **Application Form** on website www.dte.org.in/fe2012.

4. Submision of Grievances (if any) at ARC

5. Display of Final Merit List of candidates

6. Filling of Online **Option Form for Mock Allotment** of **CAP Round I**

7. Display of **Mock Allotment** for candidate through candidate's login.

8. Confirmation of Option form for Round I in person at ARC

9. Display of **Allotment of CAP Round I**.

10. **Reporting to respective Institutes** as per allotment of **CAP Round I**

11. Filling of Online **Option Form for CAP Round II**

12. Confirmation of Option form for Round II in person at ARC

13. Display of **Allotment of CAP Round II**.

14. **Reporting to respective Institutes** as per allotment of **CAP Round II**

15. **CAP Round-III by counseling** and reporting to respective Institute.

Note:-

A notification giving details such as schedule, procedure of Centralized Admission will be displayed on the website and published in leading newspapers.

Details of eligibility for participating in each round of CAP, method of reporting after each CAP round and other details are given in the **Annexure-I** of this Information Brochure. Availability of seats for each CAP round shall be displayed on the website http://www.dte.org.in/fe2012 before start of every CAP round.

The scheme of allotment through Multiple Rounds and Rules of Reporting presented below is designed to prevent loss of academics and to make the CAP Rounds meaningful and effective rather than formal and ineffective in view of the previous experience of this Directorate as also the facts and figures available with this Directorate as to the seats remaining vacant at the end of each Round(s) and especially at the end of all the Round(s) of such Centralized Allotment Process. The rounds are so designed with the purpose that, maximum vacant seats are filled in, without creating further resultant vacancies on account of shifting of students to whom already allotment has been made in earlier rounds of CAP. This step is required to enable the colleges to start the academic activity immediately to complete the term in time.

Summary of "Rules of Reporting" in CAP is as follows:

Round No.	No. of Options to be filled in	No. of options allotted for which confirming Admission is Mandatory	Remarks

First	100 options (Min. 1 and Max. 100)	Any one of the first **Three** options	Candidate has to confirm the admission, if he/she gets allotment of any one choice from first **Three** options. **Such candidates will not be able to participate in further rounds of CAP i.e. Round-II & III irrespective of whether such candidate confirms the admission or not.** Other candidates who get allotment between options **04-100** may also confirm the admission if he/she wishes to do so, however, such candidate will not be able to participate in further rounds of CAP i.e. Round-II & III if they confirm their admission.
Second	100 *fresh options* (Min. 1 and Max. 100)	**Any one** of the options allotted	Candidate has to confirm the admission, if he/she gets allotment of any one of the options. **Such candidate will not be able to participate in last round of CAP i.e. Round-III, irrespective of whether such candidate confirms the admission or not.**
Third round by Counseling	---	Available seats will be offered to candidates eligible to participate in Round-III as per inter se merit.	All seats will be General Seats .No seat tag of reservation, AIEEE etc. shall be maintained in this round. All available seats will be offered **only to Maharashtra State candidates** who are eligible to participate in CAP Round-III.

In order to participate in the CAP, the aspiring & eligible candidate is required to submit and confirm the "Application Form for Centralized Admission to Engineering/Technology" at the ARC. The list of documents required to be submitted at the time of confirmation is given in the Annexure–III.

Seats remaining vacant after completion of CAP rounds will be filled at the Institute level. The guidelines for filling up of such vacant seats in Govt /Govt aided and autonomous institutes are given in Rule No 7.6 of this information brochure.

Guideines for filling such vacant seats /Institute level seats in UnAided Private Institutes are given in the **Annexure-II** of this information brochure.

Only one round of admission by counseling for J&K Migrant seats will be conducted. (Refer rule 5.3 for details)

Various steps in the process of admission to Engineering courses are also given in the **Annexure-I**. Candidates are required to read carefully the details of CAP given in the **Annexure-I** and follow instructions given therein. **Annexure-III** gives various documents needed while attending the CAP.

7.1 CAP Rounds I/II by Allotment and Round-III by Centralized Counseling for Maharashtra State candidates (Type A,B,C,D,E)

Eligible candidates: - All the eligible Maharashtra State candidates (Type A to E) who have a valid MHT-CET-2012 score and have been assigned Maharashtra State Merit number and whose name appear in the merit list for respective CAP rounds prepared by the Competent Authority shall be considered for allotment in these Rounds.

Seats available: Refer Rule 1.6.1, and 1.6.2.

7.1.1 CAP Rounds I/II: Direct Allotment:-

Allotment of seats for HU/OHU/SL seats coming under CAP is carried out as per the logic explained in the rule 7.1.3.

For the CAP Round-I, Stage-I to Stage-VIII of rule 7.1.3 shall be executed. Seats remaining vacant due to non-allotment and non-reporting will be available for allotment in CAP Round-II.

For the CAP Round-II, Stage-I to Stage-VIII of rule 7.1.3 shall be executed. Seats remaining vacant due to non-allotment and non-reporting will be available for admission through counseling in CAP Round-III.

7.1.2 CAP Round III- Admission by Centralized Counseling:

CAP Round-III of admission will be conducted only for eligible Maharashtra State Candidates whose names have appeared in Maharashtra State Merit list (subject to eligibility of participation as set out in the Annexure-I). During this round of admission by Counseling, no seat tag will be applied i.e. seats available shall be treated as GENERAL seats and shall be allotted solely on the basis of inter-se merit of eligible MS candidates without any reference whatsoever to the category of the candidate(s) (open /reserved) or the category to which the vacant seat belongs (such as Home University, other than Home University, State Level seats, Backward Class, Physically Handicapped etc) and also all the vacant AIEEE Seats shall be treated as GENERAL seats and will be offered to MS candidates from Maharashtra State Merit list as stated above.

The number of the seats, type of seat tag etc. will be made available on website to the eligible candidates before filling up of the option forms for CAP rounds I and II

General Notes:

- Allotment for Home University seats /Other than Home University seats/ State Level seats will be carried out as per *inter se* merit of Maharashtra State merit list of CAP Round-I & II

- Seats will be allotted to candidates as per their *inter se* merit, as per the options filled and the number of seats available at that point of time in the stage of CAP Round-I, II.

- All candidates eligible for a particular stage of allotment will be considered for allotment for a seat in that stage, even if they have been allotted/not allotted a seat in the previous stage.

- During the allotment of any stage, the candidate may get upward shift in the allotment with reference to the options filled by the candidate according to availability of seats at that point of time.

- All reserved category candidates (including SBC in their original category) shall be considered for allotment (whether they are allotted any seat in earlier stage or not) in all stages.

Action against ragging: Maharashtra Prohibition of Ragging Act 1999 and Prevention and Prohibition of Ragging (Appendix 12 published in AICTE Approval Process Handbook 2011-12) and their amendments which may be published from time to time. The Maharashtra Prohibition of Ragging Act 1999   is in effect from 15th May, 1999 has the following provisions for Action against Ragging.

a) Ragging within or outside of any educational institution is prohibited,

b) Whosoever directly or indirectly commits, participates in, abets, or propagates ragging within or outside any educational institution shall, on conviction, be punished with imprisonment for a term up to 2 years and / or penalty, which may extend to ten thousand rupees.

c) Any student convicted of an offence of ragging shall be dismissed from the educational institution and such student shall not be admitted in any other educational institution for a period of five years from the date of order of such dismissal.

d) Whenever any student or, as the case may be, the parent or guardian or a teacher of an educational institution complaints, in writing, of ragging to the head of the educational institution, the head of the educational institution shall, without prejudice to the foregoing provisions, within seven days of the receipt of the complaint, enquire into the matter mentioned in the complaint and if, prima facie, it is found true, suspend the student who is accused of the offence, and shall, immediately forward the complaint to the police station having jurisdiction over the area in which the educational institution is situated, for further action. Where, on enquiry by the head of the educational institution, it is found that there is no substance, prima facie, in the complaint received; he / she shall intimate the fact, in writing, to the complainant. The decision of the head of the educational institution shall be final.

e) If the Head of the educational institution fails or neglects to act in the manner specified in section "d" above when a complaint of ragging is made, such person shall be deemed to have abetted the offence and shall, on conviction, be punished as provided for in section "b" above.

Any Acts or its amendments which may be published from time to time by AICTE, Government or Judgments by Hon. Supreme Court of India, Hon. High Court of Bombay etc will be applicable to Candidates and Institutions covered under these rules of admission.

If any of the statement made in application form or any information supplied or any certificate(s) submitted by the candidate in connection with his or her admission is later on at any time, found to be false or incorrect, his or her admission will be cancelled, fees forfeited and he or she may be expelled from the college by the Principal/Director. An appeal against the order of expulsion, however, may be sent within 7 days to the Director of Technical Education, Maharashtra State, Mumbai, whose decision in such cases will be final. Such candidates are also liable for penal action as per the provisions in the law.

Legal jurisdiction:

All disputes pertaining to the conduct of examination and admission shall fall within the jurisdiction of Mumbai High Court, bench at Mumbai only. The Competent Authority shall be the legal person in whose name the Government of Maharashtra may sue or may be sued. If any person(s) or officer(s) dealing with the conduct of the MHT-CET-2012 found engaged in act(s) that would result in the leakage of question paper or attempt to use or help in the use of unfair means in this examination he/she shall be liable to prosecution under Indian Penal Code.

13 Change of Course after successfully completing the first year within institute:

The eligible candidate seeking for a change in course/shift after successfully completing the first year of studies will be allowed to do so in the **same institute subject to the availability of seats** and changes will be carried out based on the marks of First Year. This

will be applicable to all the institutes. **However, the c**andidates who have taken admission under supernumerary seats are not eligible for this change**.**

1002 - Government College of Engineering, Amravati

Government College of Engineering, Amravati, established in the year 1964, is one of the premier institutions in the state, and oldest engineering college affiliated to the Sant Gadge Baba Amravati University, Amravati. The institute is spread over a spacious campus of 105 Acres and has good infrastructure & facilities.

The institute started with undergraduate programs in basic disciplines i.e. Civil, Electrical and Mechanical Engineering and now offers (20) programs at undergraduate and post-graduate level. Out of these programs six UG and one PG program are accredited by National Board of Accreditation, AICTE, and New Delhi which was valid till the year 2011. The institute has applied for third accreditation in December 2011.

The institute was granted Autonomy by UGC in 2005-06. The institute has more than 45 years of standing and has produced more than 14,000 Graduates, 425 Post-Graduates and 21 Ph.D.'s.

The college enjoys academic autonomy and is administered and guided by Board of Management comprising of eminent educationists, engineers, scientists and industrialists.

The Institute has separate and well-equipped laboratories and well-furnished classrooms in all the departments with sufficient space, separate hostels for Boys and Girls, Gymnasium, Gymkhana and playgrounds, Computing facilities in Hostels with Intranet facility for Video Courses and Wi-Fi. The Institute has excellent library facilities which include Internet, Library Automation, Eklavya Channel, Book Bank, Digital Library, NPTEL and other quality Video Courses by eminent faculty. Books and periodicals in electronic form are also available in the library. A collection of more than 72186 print books, 1700 e-books, 139 National print journal, 13000 e-journal articles, 4700 full text articles are available for the users. The library has 621 plus on-line journals for IEEE, Science Direct, ASCE, ASME etc.

The performance of students has shown a remarkable increase in examinations, competitive examination like GATE, CAT, GRE etc and also in campus placement. The placement statistics of 75%, 88%, 93% & 94% (of eligible students) during last four years indicates improvement.

The Institute has also been a part of TEQIP I and has successfully implemented the program. The major achievements in TEQIP include Campus Networking, Library Building with latest facilities. The institute is now a part of TEQIP II which has a focus on enhancement of scaling up postgraduate education, demand driven Research & Development and Innovation. The institute has state of the art MIS for student registration, examination and result.

GCOE, Amravati has received Academic Accreditation Partner status from TCS, Wipro Technologies and Cognizant Technology Solutions and has signed MoU for Industry-Institute Interaction with Cognizant Technology Solutions, Pune.

The institute is ranked **48**th as per the findings of Outlook-MDRA 2011 Survey of 'Best Engineering Colleges of India' from amongst the 300+ institutes invited for the survey. Dataquest-

CMR 2011 Survey of 'Top T-Schools of India' has ranked the institute at **68th** place from a group of 300 institutes.

The Alumni occupy positions of prestige in reputed organizations across the world. Based on the inputs from all stakeholders, the vision and mission is formulated to transform institute into a research Institute with strong Undergraduate/Postgraduate programmes and to become a centre of excellence in teaching, research, innovations and management of technology of global standards, for the overall upliftment of society.

2008- Government College of Engineering, Aurangabad

Government College of Engineering, Aurangabad, established in 1960 is one of renowned institute in Maharashtra and its establishment has mainly fulfilled the aspirations of people of Marathwada region. Initially started with three UG programs in Civil, Mechanical and Electrical Engineering, additional UG programs in Electronics and Telecommunications, Computer Science and Engineering (1986) and Information Technology (2000), have been subsequently added. Later post-graduate programs leading to Masters degree in Engineering have been introduced in six descplines and in addition offers three-year MCA program. Institute was conferred academic autonomy in the year 2006-07 and since then senate is responsible for all the academic decisions. The institute decides its curriculum and conducts its own examination. The curriculum is vibrant with incorporation of industrial requirements.

The institute is governed by a Board of Management constituted by the Government of Maharashtra. The institute was selected in the World Bank Assisted Project, Technical Education Quality Improvement Programme, Phase-I (TEQIP-I), which was successfully completed in 2008, achieving all its intended objectives and expectations. Under the project infrastructure of the institute has been improved to a large extent, eventually boosting the academic activity and excellence. Now the institute has also been selected in TEQIP-II. The main objective of this phase is to enhance the research and development activities.

Institute is situated in the heart of Aurangabad city, is well connected by rail, road and air. The campus is about 1.5 Km away from railway station, sprawling over an area of around 22 acres with separate buildings for various Programmes, Departments, Library, Auditorium, Workshop, Hostels and Office. The laboratories of all the departments are well-equipped with the latest equipment. The institute has funding from various agencies like AICTE and DST for infrastructure development. Each department has a separate computer lab with all the required application software.

The institute has all the facilities required for the overall development of a student. The institute is developing a state-of-the-art gymnasium with all the sports facilities. The institute has an auditorium with a seating capacity of about 1000 persons. The institute has well furnished and equipped Seminar and conference facilities. The institute offers hostel facilities to male students (400) and female students (120). The institute has high speed internet connectivity throughout the campus including hostels. Central library is well equipped with more than 68000 books including text-books and reference books. The library subscribes to all the important journals both on-line and hard-bound volumes. In addition each department maintains a departmental library. It has a seating capacity for 200 readers with separate seating arrangement for faculty members.

Institute has senior and experienced teaching faculty which are actively involved in Research, Development, Testing, Consultancy and publication of research papers and books.

6006 - College of Engineering, Pune

The College of Engineering, Pune, established in the year 1854, is one of the oldest and premier engineering institutes in the Indian subcontinent. Initially it was started as the 'Poona Engineering Class and Mechanical School' to train subordinate officers for carrying out public works like buildings, dams, canals railways and bridges. Later on, the school became "Poona Civil Engineering College', and subsequently in the year 1911, the nomenclature was changed to the College of Engineering, Poona'. The institution was initially affiliated to the University of Bombay for a degree of Licentiate in Civil Engineering known as LCE. Later on, the certificate course and the first batch of the B. E. (Civil) degree came out in the year 1911. The degree in Mechanical Engineering, Electrical Engineering, Electronics and Telecommunication, Metallurgy, Production, Instrumentation and Control, Computer Engineering and IT were introduced subsequently. The Post-graduate degree courses are being conducted in the various branches regularly since 1959. Today college runs 9 UG programmes and 22 PG programmes apart from PhD programme in all engineering and science disciplines.

The college has been recognized by AICTE, UGC and University of Pune and given full academic autonomy from 2003. Today the college enjoys administrative, academic, managerial and financial autonomy and is administered and guided by Board of Governors comprising of eminent educationists, engineers, scientists and industrialists. All academic programmes, the academic calendar, examinations, results are managed by the Senate of the college. The Sandwich pattern courses, the only one of its kind in India, were introduced in Mechanical, Electrical and Metallurgy (1974) and Production (1995) and are well accepted by industries and the students. The institution boasts of alumni like Bharatratna Sir M. Visvesvarayya and several others who have contributed immensely to the development of India.

The college saw a major transformation through the autonomy granted by the Government and the grant of Rs 25 crores received in the first phase of Technical Education Quality Improvement Programme (TEQIP) of the Govt. of India under the guidance of Dr F. C. Kohli Chairman, Board of Governors. This has invigorated the college atmosphere. Funds from various Central Government agencies like AICTE, DST, CSIR, ISRO, UGC etc. are received for various R&D projects. The College has been a part of the virtual remote laboratory programme of MHRD along with all IITs, a rare distinction for COEP. The Students of COEP are developing a nano satellite to be launched by ISRO. The college being in the industrial hub of the country also receives a large number of consultancy and testing projects. The college at present has 155 Mbps bandwidth. Every department in the institute and the hostels have computer laboratories with internet connectivity. The institute also has Wi-Fi connectivity at important locations in the campus.

To help efficient learning of engineering principles, institute has maintained state of the art laboratories equipped with modern facilities. Apart from conventional equipment, the Institute has in recent years acquired modern and state-of-the-art experimental facilities. Different laboratories are used for teaching, research and consultancy projects.

The Institute has well equipped open access library with an integrated automation system. It is one important central resource of the Institute for the students as well as faculty of the Institute. The library has a varied collection comprising of 70,000 plus books, 25,000 titles including technical reports, periodicals and other technical and non-technical publications, 54 National and 91 International journals and periodicals plus more than 600 international journals covering all disciplines of the Institute through INDEST Consortium. The library and laboratories are available 24X7 for all students.

COEP has completed a large number of sponsored and consultancy projects for various Government and private agencies like AICTE (with schemes such as MODROBS, RPS and TAPTECH) DST, CSIR, ISRO, UGC etc. and private companies like Intel Corporation Limited, NEETI Solutions, Pune, IBM,

John Deere etc. Over the years the institute has also developed excellent collaborative relationship leading to work on several advanced projects of national importance with a large number of agencies.

There are more than 25 active student driven and institute supported clubs ranging from automotive aeromodelling, astronomy, to entrepreneurship, energy, environment to robotics, satellite, history, philosophy and maths clubs making the life on the campus lively and creating next generation of all rounded engineers.

COEP has been amongst the top 5 to 10 teams in almost all competitive events held in India beating the best in the country. COEP is ranked among the top 10 to 20 institutes in the country by most national surveys.

COEP provides hostel accommodation for 400 girls and 1050 boys. Two blocks are kept for girl students and eight blocks for boys. There is in-house boarding facility for the students staying in hostel. Computational and networking facilities are provided in every room along with a central computing lab with 75 terminals. A new 11 storey girl's hostel is expected to be ready this year.

2020-SGGS Institute Of Engineering and Technology,

Vishnupuri-Nanded

Shri Guru Gobind Singhji (SGGS) Institute of Engineering and Technology was established on 17th December 1981 with cent percent aid from the state Govt. of Maharashtra. In 2004, it has achieved an autonomous status, governed by Board of Governors. SGGS was selected under prestigious TEQIP (Phase-I) program of World Bank and presently, it is selected under TEQIP (Phase-II). The Institute has the privilege of being one of the selected few to be offered total autonomy- academic, financial and administrative. Chairman of BOM is Padmabhushan Honorable Shri Baba Kalyani – an eminent, visionary industrialist and Chairman of Bharat Forge Ltd., Pune. The Institute enjoys sprawling campus of over 46 acres and is permanently affiliated to Swami Ramanand Teerth Marathwada University, Nanded. The Institute has a three pronged agenda - teaching, research, transfer of knowledge to industry and society. Qualified and experienced teachers impart high quality education to students while encouraging them to pursue their innovative ideas by providing an environment conducive for continuous learning and development.

Institute offers ten undergraduate programs and seven post graduate programs It is also a recognized research centre of Swami Ramanand Teerth Marathwada University, Nanded for doctoral program in the engineering and technology. The institute has produced 65+ Ph.Ds during last five years. Govt. of India has sanctioned QIP centre at this institute for Ph.D. program. Total number of Ph.D. seats sanctioned under QIP is 10.

The institute has developed a strong pool of 46 faculty members with Ph.D. qualification. Faculty has a very good track record of publications of papers in national/international journal/ conferences, books and book chapters. Faculty members are the members of professional bodies, Reviewer for referred Nation/International Journals. They are also reviewer and advisor to several national and international conferences held in India. Institutes receives reasonable funding from DST (FIST), AICTE, BRNS, BARC, NRB etc. to the research projects submitted by faculty.

It also sponsors the faculty for research in institutes of repute, in India and abroad. They are active members of associations like ACM, ISTE, IE, IETE and IEEE. This has paved the institute's way towards self- reliance through funds generated from industrial consultancy. The institute has also signed MoUs with organizations of national and international repute for faculty exchange, collaborative research, joint publications, etc.

Institute is having a separate cell for training and placement activity with adequate infrastructure and human resource. The institute has good placement record in IT as well as core companies. A good number of multinational core companies visit every year for campus recruitment of students.

Institute has six buses at the service of students for their transportation from city to campus and industrial visits.

Institute is having a Leased Line from Reliance Communication Ltd. Data transfer speed of the line is 24 Mbps (1:1). All departments are connected by Optical Fiber Cable. It has a structured cabling network. Campus network comprises around 15 virtual departmental LANs. All class rooms, corridors and hostel rooms are connected. In Campus network following services like NPTEL facility, File sharing, database and application services, various web servers (Local and Public), internet facilities are provided. Internet facility is available to all for 24x7 through wired and wireless network. Firewall is installed for Security. The Central Computing Facility which is over and above the departmental facilities. It has 250 advanced computing machines and at a time 250 students can work on the same.

3012- Veermata Jijabai Technological Institute，Mumbai

Established in 1887, Veermata Jijabai Technological Institute enjoys the pride and status of a premier technological institute among engineering colleges in the country. It offers thirty four courses at undergraduate, postgraduate, diploma, postgraduate diploma and post diploma levels. A full time Ph.D. programme has been started in 2006-2007 and a total of 72 students are on roll.

The Institute was granted financial and academic autonomy from 2004. Under the World Bank Technical Education Quality Improvement Programme (TEQIP), the institute undertook several projects to establish itself as a world class technology institute. New industry sponsored laboratories have been created and centers of excellence have been set up. VJTI has upgraded the library facilities with a smart library card and e-library facility.

Based on inputs from all stakeholders, the vision and mission is formulated to transform VJTI into a research Institute with strong Undergraduate/Postgraduate programmes and to excel in teaching, research, innovations and management of technology to become a frontrunner in the cutting edge technologies.

VJTI Alumni are placed in high positions in reputed organizations all over the world,   actively involved in building the institute. Thus, VJTI at present is poised to achieve the status of a world class research and teaching institute.

The Central Library development Programme, which began in 2006, with the grants received from the government continues and in 2009 the Library has become open access, providing students with an exciting, innovative and flexible new study environment. To date, total of 12000 books are added in 2010-11. The library subscribes 106 Indian Journals, besides the 827 E-Journals and 5300 E- resources. E-Resources access is available to full-text works such as Journals, transactions, E-books, magazines, articles, standards, methods, conference proceedings, Design data, digital —versions, and software of companies around the world.

The library has M.Tech Project CD's, Electromagnetic Issue / Return Workstation and spacious reading foyer. VJTI Library uses the Abridged English edition of Universal Decimal Classification System (UDCC). UDCC is the world's foremost multilingual documentary classification, indexing and retrieval tool for the whole field of knowledge, particularly in the fields of science and technology.

The campus is located well within the heart of the city over the land admeasuring 16 acres. Inside the campus there exist indoor Badminton court, Lawn Tennis court, Football ground and Basketball ground. There is a centrally located canteen in the campus. Entire open space is very well landscaped. There are 3 hostel blocks for boys and 01 for girls. The Intake for first year B. Tech students (boys) is 85 for the year 2012-13 , the admission to the hostels will be made on the basis of MHT-CET scores.

3014 Sardar Patel College of Engineering, Mumbai

Since its inception in 1962, the Sardar Patel College of Engineering has remained synonymous with excellence in Engineering Education. With the cream of the student population and highly experienced faculty, the Institute has created a name for itself as one of the premier Engineering Educational Institutions in the country. Sardar Patel College of Engineering is a college known for its academic excellence along with emphasis on the number of co-curricular and cultural activities for the overall development of an Engineering student. The Institute is celebrating its Golden Jubilee Year in 2012.

The Institute has been awarded Autonomous status by the UGC, State Government and University of Mumbai in June 2010 and has its Board of Governors and various committees. SPCE has been selected by MHRD and NPIU under Technical Education Quality Improvement Program (TEQIP) Scheme. Through planned utilization of this fund the institute is aiming at seeking overall development and employability of engineering graduates. The Institute has been accredited twice by National Board of Accreditation first in 2004 and again in 2008.

The Institute is offering undergraduate courses in Civil, Electrical and Mechanical Engineering with intake of 60 each. The Institute also offers full time M.E. courses in Civil Engineering with specialization in Structural Engineering and Construction Management and in Mechanical Engineering with specialization in Thermal Engineering and Machine Design each with a sanctioned intake of 18. Currently there are 45 Research Scholars pursuing their PhD. Program in Civil Engineering and 30 in Mechanical Engineering Departments. The Institute plans to be a QIP Center.

Some of the eminent faculty in Civil/ Structural and Mechanical Engineering Department has patents in their name. The faculty in Department of Structural and Civil Engineering are actively engaged in consultancies. In this year the institution faculty has published more than 400 papers in National and International Journals, National and International Conferences and 3 patents. Number of value added short term courses for the benefit of academicians as well as industry personnel have been organized by the faculty throughout the year and generated revenue for the institution. Many of the faculty members are pursuing their Ph.D. and M.E. Program under QIP and also in reputed universities.

SPCE has its Alumni in leading public and private sector organizations as well as premier educational and research institutions. The Institute is in constant touch with its alumni for the process of improvisation.

SPCE students are involved in various curricular and co-curricular activities and have received various award, important of them are BRY-Air award (Twice), SAE-BAJA competition (Twice), and paper presentation in conferences. The institute has NCC unit.

6007- Walchand College of Engineering, Sangli

Walchand College of Engineering (WCE), Sangli is one of the oldest Engineering colleges in the state of Maharashtra. It was established in 1947, as New Engineering College with Civil Engineering degree programme and renamed in 1956 as Walchand College of Engineering. WCE is a preferred choice of students in the state because of its academic reputation and placement record. About 2800 students are currently realizing their dreams of quality engineering education leading to Degree, Post Graduate and Diploma qualifications. The campus is spread over 90-acres of land with beautiful surroundings. The college has a record of 100% placement of eligible students for the past three years.

Walchand College of Engineering is receiving partial grant-in-aid from Government. The degree programmes of the college are affiliated to Shivaji University, Kolhapur and approved by All India Council for Technical Education (AICTE). Walchand College of Engineering has been granted Autonomous status and is functioning as an Autonomous College from academic year 2007-08. It now offers B. Tech. and M. Tech. degrees under autonomous curriculum based on semester system and grading as followed in IITs. Post autonomy, the institute has carried out various reforms to improve the quality of education in the institute.

Walchand College of Engineering, Sangli was selected in 2004 for the Government of India scheme funded by the World Bank under Technical Education Quality Improvement Programme (TEQIP). It has also been selected for participation in TEQIP Phase II with a total expected funding of Rs. 12.5 Crores. We aim to establish state of art PG laboratories through TEQIP Phase II. A new state-of-the-art library named as 'Ajit Gulabchand Central Library' has been added in 2008 through generous donation from Seth Walchand Hirachand Memorial Trust.

Ajit Gulabchand Central Library measuring 4244 sqm and costing Rs. 5.5 Crores is one of the largest library/facilities amongst engineering colleges in the country. Donated by Seth Walchand Hirachand Memorial Trust, the library building has modern facilities like Wi-Fi, Digital Library, Seminar Hall and Study Hall for students with a capacity of 250. The library has 44,495 volumes & 36,014 titles. The library subscribes to 55 national and 10 international journals in print version and to 209 online journals. Additinally, INDEST membership for 600 online journals supported by AICTE is available with our Library. The college has signed a MOU with IIT Bombay for availing the facility of their library. The library is also a member INSDOC. Library has created "Library database" of all reading materials including books, bound volumes of periodicals, dissertation and non-print materials such as CDs etc. This data is available on Web at DELNET site. The books, magazines, CDs retrieval facility is available through Intranet. The Book Bank Scheme is in existence since 1970-71 under which sets of textbooks are given to meritorious students.

The college has set up a new Central Computing Facility (CCF) with an investment of over Rs. 3 crores with an addition of industry grade RACK servers, More than 500 high end desktops with TFT monitors, MIS, Educational CDs, Video lectures by eminent teachers from reputed institutes such as IITs (NPTEL), MATLAB, CATIA, AutoCAD etc. have been made in the past three years. Presently 40 MBPS leased line and 2 MBPS broadband are provided for Internet connectivity and a campus wide network is available. Wireless internet connectivity has also been provided within the campus. Bandwidth Management is done through Firewall and Viruswall of E-lite core/Cyberoam. Bandwidth growth is exponential and is doubling every year.

Walchand College of Engineering aims to be a world class institution. In 2009, WCE has commissioned world's leading design and planning firm HOK Design and Planning Services (India) Pvt. Ltd. HOK has master planned many Universitiy campuses in the US. The WCE Campus Master Plan has been completed. It is proposed to develop the entire campus in three phases spread over next 10 to 15 years. The institute is in talks with experts to significantly revamp its academic programmes, laboratories and administrative systems. The institute is taking help of global consultants for revamping its curricula taking into account the requirements of ABET (Accreditation Board for Engineering and Technology, US). The new Curriculum will be implemented from the academic year 2012-13. Under the leadership of Chairman Mr. Ajit Gulabchand, institute aims to become a self sustaining World class institute

4115 Shri Ramdeobaba College Of Engineering And Management, Nagpur

Shri Ramdeobaba College of Engineering and Management (RCOEM) was setup in 1984 by Shri Ramdeobaba Sarvajanik Samiti. It has since then covered twenty-seven years of fruitful journey in technical education, making it one of the oldest engineering colleges in Central India. The institute is approved by AICTE, New Delhi and Government of Maharashtra and is permanently affiliated to Rashtra Sant Tukodoji Maharaj Nagpur University (RTMNU). It is accredited by Nation Board of Accreditation (AICTE) for all eligible branches. It is also a recognized centre for research for Ph.D. and M.E. (by research) by RTMNU. The institute was granted academic autonomy in 2011 by University Grants Commission and RTMNU. The college has nine undergraduate engineering programmes and eight postgraduate programmes.

Institute has been awarded an ISO 9001:2008 certification for quality. All its systems, right from admissions to placements are certified by URS, UK. It has a large team of teaching staff with long experience in teaching, research, and industry. With educational qualifications and training from premier institutes of the world, the faculty is well-equipped to ensure in-depth capacity building of the students. The college has state-of-the-art infrastructure that meets global standards. Other than the departmental libraries, the main library on campus is well-stocked with over 60,000 books and various national and international journals. The campus has Girls' and Boys' hostel that have a doctor, Mess, recreational facilities, and a dedicated server for 24X7 net access. The college has a computer centre that maintains a 21 Mbps internet line networking through all the departments. In addition to the various departmental laboratories that are equipped with latest instruments and software, the college has modern classrooms. A lush green campus along with ample parking space, sports grounds, canteen, nationalized bank, and many such facilities makes the hours spent on campus comfortable for the students.

The college has forged ties with various universities of USA and UK for faculty and student exchange; joint degree programs; research activities; and sharing experience in best practices, innovative and creative concepts. As a result the collage has signed a Letter Of Intent (LOI) with Staffordshire University of UK. MOUs have also been signed with 3 universities of USA, i.e., University of Massachusetts Lowell, Northern Illinois University, and University of Hartford. A training programme for the students of RCOEM has already been arranged with University of Massachusetts Lowell, USA.

A healthy interaction with the industry exists, where students are sent for short-term trainings and industry-exposure trips. In addition guest lectures by experts from the industry, consultancies with the industry, as well as project work based on industry requirements are undertaken as part of the curriculum. The crowning glory of the institute has been coveted placements of its students. Companies like Mahindra & Mahindra, INFORMATICA, Indian Army, L&T, TVS Motors Co. Ltd., Accenture, Bosch India Ltd., Wipro Technologies and others have selected students through the campus placement process.

Institute offers a cross-cultural experience to students as many students from countries like Nepal, Singapore, Qatar, Muscat, Finland, Holland, Canada, USA, UK, and many other countries are studying in the college. The campus is vibrant with fun as it provides to the students various opportunities to showcase their academic, technical, cultural, and sports

talents. Events like Technovision, Pratishruti, Drishti, Gyanoday, Prena, Athletic Meet, and many such events are conducted throughout the year.

4116 – Ankush Shikshan Sanstha's G.H.Raisoni College of Engineering, Nagpur

G.H. Raisoni College of Engineering (GHRCE) is an Autonomous and premier Research Institute in Central India. GHRCE, established in 1996, has a proud standing of 15 years. It is offering 26 courses include 7 undergraduate, 14 postgraduate and 5 doctoral programmes. All the Undergraduate & Postgraduate courses are accredited by NBA and some of the courses are reaccredited. Quite a large number of doctoral faculty members are working with the institute. GHRCE has received many grants for research and other projects from the renowned Government agencies. TEQIP-I, a project by World Bank was one of them in which the institute has excelled on all the parameters. The Institute has been recently selected for World Banks prestigious Project of TEQIP-II. GHRCE identified as member of National Knowledge Functional Hub (NKFH)-a joint initiative of Higher Education and FICCI .

Institute has established R&D cell to promote and encourage research. Institute has more than 20 funded Research Projects from AICTE and Ministry of Science and Technology. Faculty members have National and international exposure. There are around 1400 plus conference publications and around 250 plus refereed journal publications by faculty and students. The institute has organized many International events including IEEE sponsored International conferences (ICETET), Workshops and symposia in India & Abroad. Institute supports and encourages students to participate in project competitions at other institutes.

Under Autonomous status, the emphasis is being given on Continuous evaluation, Learner Centric System, compulsory Industrial training/Internship, Labs Equipped with World-class Technologies and R&D facilities. The syllabus is designed by global leaders and senior professors from IIT, NIT and Industrialist and is tuned to current R & D & industrial demands. The institute offers Interdisciplinary subjects, open electives, core electives, Projects- every year, more hands on practice, Open ended experiments. The Institute has adapted Relative Grading; Credit based System, Teachers Assessment Examination (TAE), and result within 8 days and Re-examination within month.

To transform into Global Technocrat, the syllabus has many general proficiency subjects like Soft Skills training, Foreign Language courses, Hobby workshops, technical report writing, communication skills, CRT and PDP workshops, debate, extempore, Value added courses- Mini Modeling. To support the students and parents, institute has Teacher Guardian Scheme, Psychological counselors.

Institute has world class infrastructure. The college campus has 100% power back up. Campus is Wi-Fi, studio rooms and laboratories. The Centralized library is air cooled & has reading hall for 200 students. Institute has Doctor on regular visit & has own Ambulance. 40 buses, Bank and ATM, drinking Water with RO system, student canteen, girls and boy's rest room, indoor sport room and Air-cooled Gymnasium are also available in college campus. Institute has a dedicated Training & Placement cell with a full-time T&P Officer who coordinates with the HR departments of various companies/industries and invites them for on-campus placement of students. Institute also has a registered Alumni Association. Institute has well planned academic calendar which includes programs beyond syllabus to enhance essential industry skills, to learn interpersonal skills, and to showcase the

talent. The students of GHRCE have exhibited talent in International and national competitions across the world and has very good placements in all the sectors.

EN 4167- Yeshwantrao Chavan College of Engineering, Nagpur

Yeshwantrao Chavan College of Engineering (YCCE) is established in 1984 by Nagar Yuwak Shikshan Sanstha, Nagpur. It is affiliated to Rashtrasant Tukadoji Maharaj Nagpur University, Nagpur. For over 28 years, it has successfully nurtured young engineering professionals, becoming a sought after destination for students aspiring to higher technical education and placement in the competitive software and core industry.

The college is guided by Academic Advisory Board consisting of eminent academicians from prestigious technical institutes in India and USA. The college is having well qualified and experienced senior faculty members.

The institute became one of the few selected well – performing colleges for Government of India's Technical Education Quality Improvement Programme (TEQIP Phase 1) funded by the World Bank. With the TEQIP financial aid, the institute has created state–of–the-art infrastructure, laboratories, computational facility, library etc.

The institute has become the first private engineering college to acquire "Autonomous Status" in Central India. The institute is implementing autonomy in progressive manner from academic year 2010-11.

All the departments are recognized by university as Centre for Higher Learning and Research for Ph. D and M. E. by research. About 171 scholars have already registered for the research programme.

The institute has received grant from Department of Science and Technology, Govt. of India, under its FIST scheme and also received grants for projects from AICTE- MODROB /RPS and UGC- Major Project Scheme. The college faculty publishes around 200 research papers every year in National and International Journals/Conferences.

More than 85% students are placed through campus recruitment process in core and IT sectors in about 125 companies. Prominent recruitment companies such as TCS, Wirpo, Infosys, Techmahindra, NVIADIA, L&T Infotech, Capgemini, Persistent, Accenture, Tata Motors, TVS, M&M, Kirloskar, Adani, Reliance, GMR, Vedanta, Shapoorji-Pallonji, HCC, Ambuja Cement, L&T Construction, Adani, Power Plants, Lanco, Reliance visit the campus for placement.

The institute has tie ups with reputed universities including Purdue University, University of Massachusetts, Northern Illinois University, Lawrence Technological University, Hartford University and Arizona State University in U.S.A., Scotland Colleges International in U.K. and SVNIT, Surat, India for student/staff exchange/visit programmes, collaborative research and consultancy activities.

The college is situated on a picturesque hilly terrain of 14 acres having spectacular harmony in architecture and natural beauty, incorporating unique topological features, several departmental buildings and administrative block. The lush green campus provides the perfect ambience and atmosphere for learning. 3-storeyed library housing over 75,500 books, more than 26800 titles, 670 e-journals, 128 national journals. Digital Library with dedicated server having VOD's from NPTEL and IIT Kharagpur and a sufficient amount of e-study material. Internet connectivity of dedicated 18 MBPS + 10 MBPS line from BSNL under NMEICT is provided in the campus through high speed 1GB multiple fibers link. EDUSAT CDEEP -IIT Mumbai remote center set up at YCCE campus to learn through video conferencing. Senior faculty from reputed institutes like IIT, DAIICT and others regularly visit to teach part of UG / PG syllabus. The institute is a partner in various industry – academia programmes of companies like Infosys, Wipro and Oracle. It is also IBM's center of excellence. Central computing facility of 120 computers is available, which is also used for on-line examination. Wireless connectivity is provided in campus and hostel. On campus boys' hostel with a capacity of 255 with facilities such as ultra modern gymnasium, library, 24 x 7 internet connectivity and cable TV is available.

Under Autonomy, the institute is implementing Universally accepted credit based semester system. The curriculum matching with need of industry and latest technology is developed with active

participation from the imminent persons from reputed institutes as well as corporate sector across the country. Industrial Training of 6-8 weeks after 6th Semester BE has been made an integral part of under graduate program. Institute provides facility of Make up examination (Resit) within three weeks for failed students. The Summer Term has been introduced to complete the term requirements of the students who have been detained or failed.

We aim to make our students to become engineers, possessing outstanding quality to become leaders in their profession.

6214 - Rajarambapu Institute of Technology, Islampur

Rajarambapu Institute of Technology (RIT) is established in 1983 and is affiliated to the Shivaji University, Kolhapur. The Institute was conferred academic autonomy from June, 2011 by University Grant Commission (UGC), New Delhi and Shivaji University, working on model of experiencial learning. The Institute is also assisted by World Bank under the TEQIP program to promote quality in education system. Recently an MOU has been signed with two leading universities in USA namely Purdue University and University of Massachusetts, Lowell. RIT's networking with world's leading universities is a step forward to become the leading private institute which will provide a world class technical education to prepare students for global career. We have Industry Institute Interface MOUs with infosys, Bharat forge, tata power, etc.

Under the World Bank Technical Education Quality Improvement Programme (TEQIP) Phase I, the institute undertook several initiations to enhance quality of education at all possible levels. Institute has set up best of the laboratories to enable students to practice engineering at most advanced stage. It is proud moment that TEQIP Phase II is also sanctioned to RIT for excellence of PG and Research enhancement. RIT is one among two private institutes selected for TEQIP Phase II.

RIT has also formulated their goals, vision and mission to steer the institute to become one of the modern and develoed institute. Mission and vision statement are the basic guidelines for all stakeholders to project RIT as one of the leading institute and due to this RIT has been ranked 6th at Maharashtra State level (Competition Success Review - GHRDC Engineering Colleges survey – 2010). RIT'S placement track record is excellent and Alumni base is working in MNCs in India and abroad and even in Research Organizations.

The institute is situated on national highway No.4 near Peth Naka in Sangli district. It is 40 Kms away from Sangli city and 50 Kms away from Kolhapur city.

We believe that students can upgrade their knowledge and conceptual clarity through books and journals. In RIT Central Library facility is available to the students in which 57,668 books, 221 Journals, 100 International Journals and 338 e-journals are available.

RIT offers 7 undergraduate engineering courses and 10 Post Graduate Level Courses. It has also been recognized as centre for PhD programs for Civil, Electronics and Mechanical streams. The Institution has rapidly attracted the attention of students, not only in and around Maharashtra but also from all over the country. Now in 29th year, the Institute has till today nurtured and nourished number of its students to become graduates in different mentioned streams. It has state of art facilities, residential facilities for boys and girls, Wi-Fi connectivity in campus, Partnership with industry, excellent faculty, unique academic systems with focus on teaching learning process and all round personality development of students.

We at RIT think that having the conceptual clarity only is not going to help today's engineers to cater effectively and efficiently to the industry. We believe that the engineers with right knowledge, conceptual clarity, perfect domain, right attitude and applicability of the knowledge will be a right combination of the qualities for an engineer to fulfill the requirements and expectations of the industry. We are striving hard to groom our students from these perspectives.

6273- Vishvakarma Institute of Technology, Pune.

Vishwakarma Institute of Technology, Pune, of the BRAC Trust was established in 1983, with mission to prepare competent engineers, imbibed with the spirit of professionalism and responsible citizenship in a competitive global environment. It is one of the premier technical institutes of high repute in the country.
Its vision is to develop engineers of high caliber, who could take up challenges of any type of an engineering job and make it a grand success, guided by originality and professionalism. Over the journey of last 28 years, this institute has grown up from an undergraduate institute to a research centric institute along with well established post graduate programs. The Institute has not only earned recognition at the national level but also has created a special mark at international level.

Vishwakarma Institute of Technology is the first private unaided technical institute in the state of Maharashtra to receive the status of Autonomy conferred upon by the University of Pune and as such enjoys a place of pride in the country. It is accredited by National Board of Accreditation and is also ISO 9001:2000 Certified.

The Institute is well known for its visionary management, senior dedicated faculty, state-of-the-art infrastructure, high academic standards, strict academic discipline, remarkable co-curricular and extracurricular activities, excellent placement records and talented students.

The institute has Academic collaborations in diverse regions of the world, such as USA, Europe, Canada and South East Asia. Opportunity to study for a complete semester during the UG course in renowned International Universities is offered to the deserving students. There is an established student exchange program with Groupe des Ecoles des Mines (GEM), a group of seven prestigious engineering schools of higher learning in France. Total 6 batches of over 35 UG VIT students have successfully completed their studies in GEM, France & Canada. Three French students completed their studies for two semesters in the Institute and two completed 3 months internship program.

Eminent personalities from industries and IITs are the members of Board of Studies, who guide in designing the curriculum and structure of the programs. Emphasis on hands-on experience, inter-disciplinary approach, flexibility to choose courses of one's own interest from a range of electives, emphasis on Industry based projects / seminars are also the important features. Mini Project activity is carried out in every semester by FE/SE/TE students, which provides students the scope for creativity and hands on experience.

Modern teaching techniques like interactive teaching and experiential learning are effectively used in the teaching process. A Class-teacher / guardian is provided to each class. Thick student-teacher relationship, remedial teaching for all students, use of modern teaching aids and provision to register for additional courses for advanced learners are also the special features. The institute has adopted the internationally followed grading system which relieves the students from undue pressures.

The student welfare activities provide them opportunities to participate in Robotics, Paper presentations, Quizzes, Vehicle designing and manufacturing competitions etc. VIT students have won many awards and high rankings in various prestigious competitions like Robocon– an international level robotics competition, SAE-Baja – a national level vehicle design and manufacturing competition, Techfest and Techkriti– Asia's Technical festivals by IIT – Bombay and IIT – Kanpur etc. There are many individual awards in extra curricular events at all levels.

Mélange is a national level event organized by VIT every year. It is a combination of Technical, Cultural and sports competitions.A forum called The Robotics Forum of VIT (TRF) has been established to spread Robotics Activity amongst students. The membership has reached to a high of 1500 students. Various active departmental student chapters in the institute are ISTE, SAE, - USA, IETE, IIIIE, ASHRAE, IETE, India, PIESA, IEI, ISA, ISTE-VIT Chapter, IEEE, etc.

The institute has neat, clean and beautiful campus with more than 70 well equipped laboratories with State of the Art equipments. The Class rooms are equipped with modern teaching aids. It has fully air-conditioned Auditorium with audio visual facilities. There is Canteen facility with subsidized food and well equipped gymnasium and other sports facilities. There are Central Library and Departmental libraries with reading

facility and Internet and Wi-Fi facility. There is Central Workshop facility, Conference Hall and Seminar Rooms. Banking & ATM centres, on campus medical service, transport facility for staff and student are also the important features.

Dr. Babasaheb Ambedkar Technological University

(Established under Government of Maharashtra Act XXII of 1989)

The University is developed in a beautiful campus of 470 acres. It is located at on National Highway no. 17 at Lonere in Konkan region of Maharashtra State. The University is about 160 km in the south of Mumbai and 120 km in the west of Pune city; the nearest railway station is Mangaon, 10 km from the University campus. The university is the first autonomous Technological University of unitary status in the state. This University has been attracting students with excellent academic credentials from all over Maharashtra and moulds them into engineers and technocrats with ability to excel in diverse engineering fields. On successful implementation of TEQIP I, this University has been selected for World Bank funded TEQIP – II.

Strengths of University: # Highly qualified and dedicated faculty members involved in in-house and funded research # Well-equipped laboratories # Five hostels of total capacity of 1500 # 100% accommodation to girl students # Computer centre with 100 terminals # Campus wide local area network # Free Book Bank facility to backward category students # Transparent examination system # Choice based credit system # Continuous assessment and relative grading system # Industrial exposure through on-the-job-training # Active training and placement cell # NCC and NSS units # Nursing Assistance course for rural women # Various certificate courses under the Community Development Programme # University campus surrounded by many engineering and chemical process industries
